

THE ACCREDITATION PROCESS

for the Application of New/Renewal of
Hand Trauma and Replantation Centers / Hand Trauma Centers
from June 2018 on

1. The Hand Trauma and Replantation Centers / Hand Trauma Centers makes a request on the FESSH website (Link) (NEW OR RENEWAL)
2. FESSH informs the National Representative and sends a link for the interactive application by email to the Hand Trauma and Replantation Centers / Hand Trauma Centers
3. The Hand Trauma and Replantation Centers / Hand Trauma Centers fills out the form and FESSH sends the document to the National Representative
4. The National representative checks the data and supports the application
5. Normally the Hand Trauma and Replantation Centers / Hand Trauma Centers will be accredited automatically by FESSH.
6. Any Hand Trauma and Replantation Center / Hand Trauma Center which does not have the support of the National Representative will be referred to the Hand Trauma Committee.
7. Accredited Hand Trauma and Replantation Centers / Hand Trauma Centers will receive a certificate from FESSH in PDF format and an electronic badge

The HTC will make a random choice of 3-5 Hand Trauma and Replantation Centers / Hand Trauma Centers per year which they will visit along with a national representative.

The accredited Hand Trauma and Replantation Centers / Hand Trauma Centers will be encouraged to use the FESSH certificate and/or badge in all their communications including the hospital website.
