

FESSH 3D DISCUSSION FORUM

- The FESSH 3D discussion forum is a platform for communication among hand surgeons on topics related to 3D technology and hand surgery.
- The aim is to facilitate the exchange of new ideas on 3D technology in hand surgery.
- The objectives will be to set up a case discussion forum, share tips and tricks, discuss relevant legislation and setup research projects.

TERMS OF USE

- When posting messages on the forum, include a signature tag on all messages, including your name, affiliation and location. Only send a message to the entire list/group when it contains information of the benefit to everyone. Send direct messages such as "thanks for the information" or "me, too" to individuals--not to the entire list/group.
- Comply at all times with the privacy rules. Posts should not identify any patient by name or other identifying facts and characteristics. Use discretion when discussing products, devices and pharmaceuticals. Your posted comments are subject to defamation and antitrust laws. Do not post any pictures, drawings, photographs, articles or other materials unless you own the copyright or have received permission from the copyright owner. Do not post any defamatory, abusive, profane, threatening, offensive, or illegal comments or materials.
- By posting materials you are granting FESSH and the users of this discussion group the non-exclusive right and license to display, copy, publish, distribute, transmit, print, and use them. Posts are not confidential and can be disseminated by other participants.
- Do not use the forum to promote any product or service. Please avoid inadvertently arguing or attacking others. Comments should only stimulate conversation, not create contention. Do not blindly rely on responses to discussion, but use your own judgment on patient care.
- FESSH reserves the right to (i) remove any post for any reason and to (ii) suspend or terminate access to the forum for anyone who violates these rules. If you have questions about the forum or these rules please contact 3Dsubgroup@fessh.com

THE LEGAL PART

The FESSH 3D discussion forum is provided as a service for all interested hand surgeons. The views expressed on the forum are those of the individual contributors. They do not and should not be construed as representing the views of FESSH. FESSH is not responsible for the opinions and information posted on the forum by others. We disclaim all warranties with regard to information posted on the forum, whether posted by FESSH or any third party. In no event shall FESSH be liable for any special, indirect, or consequential damages or any damages whatsoever resulting from the use or reliance on information posted on the forum or loss of use, data, or profits, arising out of or in connection with the use or performance of any information posted.

FESSH disclaims any responsibility to maintain copies of any information posted on the forum or to assure that such information is deleted. Unless specifically stated otherwise, FESSH does not endorse, approve, recommend, or certify any information, product, process, service or organization presented or mentioned on the forum, and information from the forum should not be referenced in any way to imply such approval or endorsement.

Do not post any information or other material protected by copyright without the permission of the copyright owner. By posting material, you warrant and represent that you own the copyright with respect to such material or have received permission from the copyright owner.

While FESSH does not actively monitor the forum for inappropriate posts and does not on its own undertake editorial control of postings, it retains the right to do so. In the event that any inappropriate post is brought to the attention of FESSH, we will take all appropriate action including, without limitation, the removal of posts, information or other materials that we believe do not comply with the terms of use or are not in the best interests of FESSH.

FESSH reserves the right to (i) terminate access to any user who does not abide by the terms of use; and (ii) modify the terms of use as it determines from time-to-time in the best interests of FESSH, provided all forum participants are notified of such change. FESSH reserves the right to notify the national society of a user inappropriately behaving within the forum.
